

Now you have enjoyed the fabulous dinner and dance on Saturday not forgetting the wine, on the Sunday morning why not make your way down to the lions club in Rae park for a hot breakfast provided by our near neighbours the Tigers football club for a gold coin donation if you wish. Wear comfortable shoes and join the parade back to the hall. The parade route of 1kilometre is slightly up hill but a comfortable distance. Let's make enough noise to let Manjimup know that the Lions are in town.

After the closing ceremony we will retire to the historic Timber and Heritage Park for a BBQ lunch. While you are here have a look at the adventure playground and the giant slide and observation tower. You may also be able to visit the timber museum and see the plans for a multimillion dollar upgrade to house the World of Energy museum.
